Dr. Ming Wang, Harvard & MIT (MD, *magna cum laude*); PhD (laser physics), is a **world-renowned laser eye surgeon, philanthropist, and a co-founder of the non-profit Common Ground Network.**

As a teenager, Ming fought valiantly to escape China’s Cultural Revolution – during which millions of innocent youth were deported to remote areas to face a life sentence of hard labor and poverty. He came to America with **only \$50** and earned **two doctorate degrees**, one in laser physics and one in medicine, and graduated with the highest honors from **Harvard Medical School and MIT.**

The **amniotic membrane contact lens**, which Dr. Wang has invented (with two U.S. patents), has been used by tens of thousands of eye doctors throughout the world in nearly every nation, and millions have had their eyesight restored.

Wang Foundation for Sight Restoration has helped patients from over 40 states in the U.S. and 55 countries, with all sight restoration surgeries performed free-of-charge. Dr. Wang was named the Kiwanis **Nashvillian of the Year** for his lifelong dedication to help blind orphaned children from around the world.

The **film “Sight”** is based on Dr. Wang’s autobiography “From Darkness to Sight” and co-stars Greg Kinnear. Dr Wang can be reached drwang@wangvisioninstitute.com
